

WHAT TO DO BEFORE YOUR WEDDING...

To-do list for your wedding

- Make a budget and consider – need to have, nice to have?
- Make a list of the guests you would like to invite
- Book the venue
- Book the church
- Send out a “save the date” card to be sure that all the guests can reserve the date.

12-18 months prior the wedding

Look for inspiration for your wedding style: how the venue should be decorated, which flowers you would like, what the invitations should look like, etc.

Book følgende:

- The food
- Waitstaff
- Music – will there be special music in the church, for the reception, dinner music during the meal, and a band or DJ after midnight?
- Book a photographer. The best photographers get booked first, so you might as well get started.

9-12 months prior the wedding

- Buy the wedding dress
- Order the wedding cake
- Order wedding transport
- Order bartenders
- Order late night snacks
- Order hair dresser/makeup artist
- Select a best man, a toastmaster, and a gift coordinator.

3-6 months prior the wedding

- Send out invitations
- Check on overnight guests – do you have the number of rooms you need?
- Buy the decorations for your wedding
- Order flowers
- Buy beverages
- Buy the rings
- Buy the groom's outfit
- You must complete a declaration of marriage with the municipality no earlier than four months in advance to obtain a certificate of no impediment.

30 days prior the wedding

- Meeting with the minister/priest – remember to check on the flowers in the church; who is taking care of that?
- Make the table seating
- Make place cards

14 days prior the wedding

- Draft a schedule for the kitchen and serving staff.
- Check on overnight guests.
- Plan who will help with the cleanup the next day, as well as how all the gifts will be transported home.
- Check your arrangements, remember to provide the various suppliers with the exact address, and be aware that nothing can be delivered before your rental period begins at 3:00 PM.

7 days prior the wedding

- Fold the napkins

On the day itself, your only job is to enjoy the experience and answer any questions that might arise - DO NOT GIVE YOURSELVES ANY TASKS ON THIS DAY!!!!

And enjoy!

After the wedding

- Send thank-you cards
- Apply for a name change – it is free for up to 3 months after the wedding (in Denmark).
